

NATIONAL MITIGATION
& ECOSYSTEM BANKING
CONFERENCE

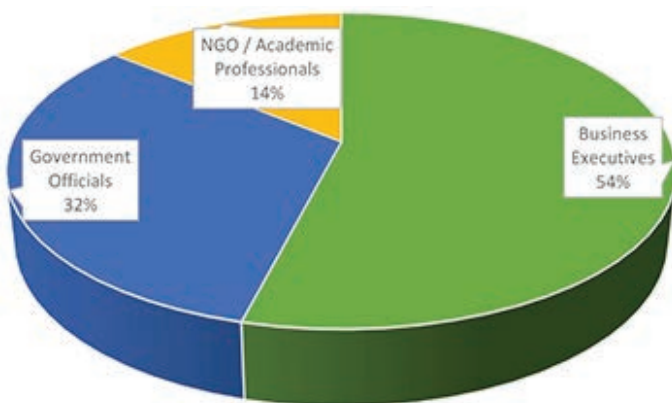

NMEBC 2022

MAY 2-6, 2022 • BOISE CENTRE WEST • BOISE, IDAHO

GET LEADS • GAIN EXPOSURE • BUILD YOUR BRAND

Following this past year's successful hybrid event that drew 450 in-person and 100 remote attendees, NMEBC 2022 is expected to draw 600++ leaders in mitigation, conservation, and ecosystem banking and related environmental markets.

A powerful, independent and balanced platform that is the "must attend event" for those involved in mitigation and conservation of species, wetlands and streams, water quality and related environmental markets.

Reach key decisionmakers and leaders from business, government (local, state, federal and tribal nations), academia and nonprofits – regulators, clients/users of credits, providers, investors and consultants of mitigation and environmental restoration as well as landowners, attorneys, engineers, real estate developers, city planners, and other stakeholders.

VIRTUAL CONTINGENCY, CANCELLATION OF EVENT POLICY

NMEBC provides continuous promotion of the event with significant exposure to supporters via marketing emails, online agenda, website recognition and social media from the early launch of the 2022 event marketing campaign, throughout the event and post event.

Should NMEBC move to a Virtual only format:

Title Supporters, Exhibitors and Marketing Opportunity Supporters will be provided virtual benefits that may include increased registrations and added exposure as determined by their selected level.

Blue and above level title supporters will be provided the option to downgrade one level at regular pricing with 100% of the difference (from what was paid or committed to less regular pricing of level downgraded to) put towards NMEBC 2023, or 80% of that difference refunded. Blue and above who decide to stay at the same level with full support towards the continued success of NMEBC will be provided extra benefits including the opportunity to participate in a virtual package mailed to all attendees should that be implemented*.

While there is no downgrade or refund option for Green, Exhibitor or Marketing Opportunity selections**, they will be upgraded to full online engagement with opportunity to participate in the virtual package mailed to all attendees should that be implemented.*

**** Marketing Opportunity selections** (excluding Exhibit Booth, JFT Award, NMEBC Scholarship Fund and selections \$1,000 and under) will also be given the choice of an 80% refund or 80% credit put towards 2023 if they do not wish to participate in the virtual package should that be implemented.

We are sincerely grateful for all our supporters who help to make this event a success in continuing the dialogue and education critical to this industry. Should NMEBC move to another location or date, all selections would remain in place. Should a complete cancellation occur (moving to a virtual format or to a new location is not a cancellation), you have the option of receiving a full or partial refund or moving all or part of your support to NMEBC 2023.
